

### **Fees for supporting members of KenBuKai e.V. (from January 1, 2023)**

Supporting members are dojos, clubs and training groups affiliated and registered with KenBuKai e.V. Supporting members pay an annual fee to KenBuKai e.V. for their individual members in the amount of €30 per adult (from 16 years of age). Children and persons under the age of 16 are exempt from this fee.

The total fee amount for each supporting member is determined on the basis of a member report created by the supporting member in the database on the website of KenBuKai e.V., indicating the names and number of all individual members as per January 1st of each year. The total fee amount thus calculated by the supporting member shall be transferred to KenBuKai e.V. by March 31st of the year at the latest. In principle, individuals cannot be supporting members of KenBuKai e.V.

A personal membership pass is created for every individual recorded as a member of KenBuKai e.V. as proof of membership. The one-time cost of the membership pass is €10 per person and must be paid by the supporting members for their individual members when the latter are admitted to KenBuKai e.V. This also applies to children and persons under the age of 16.
